## THE VILLAGE

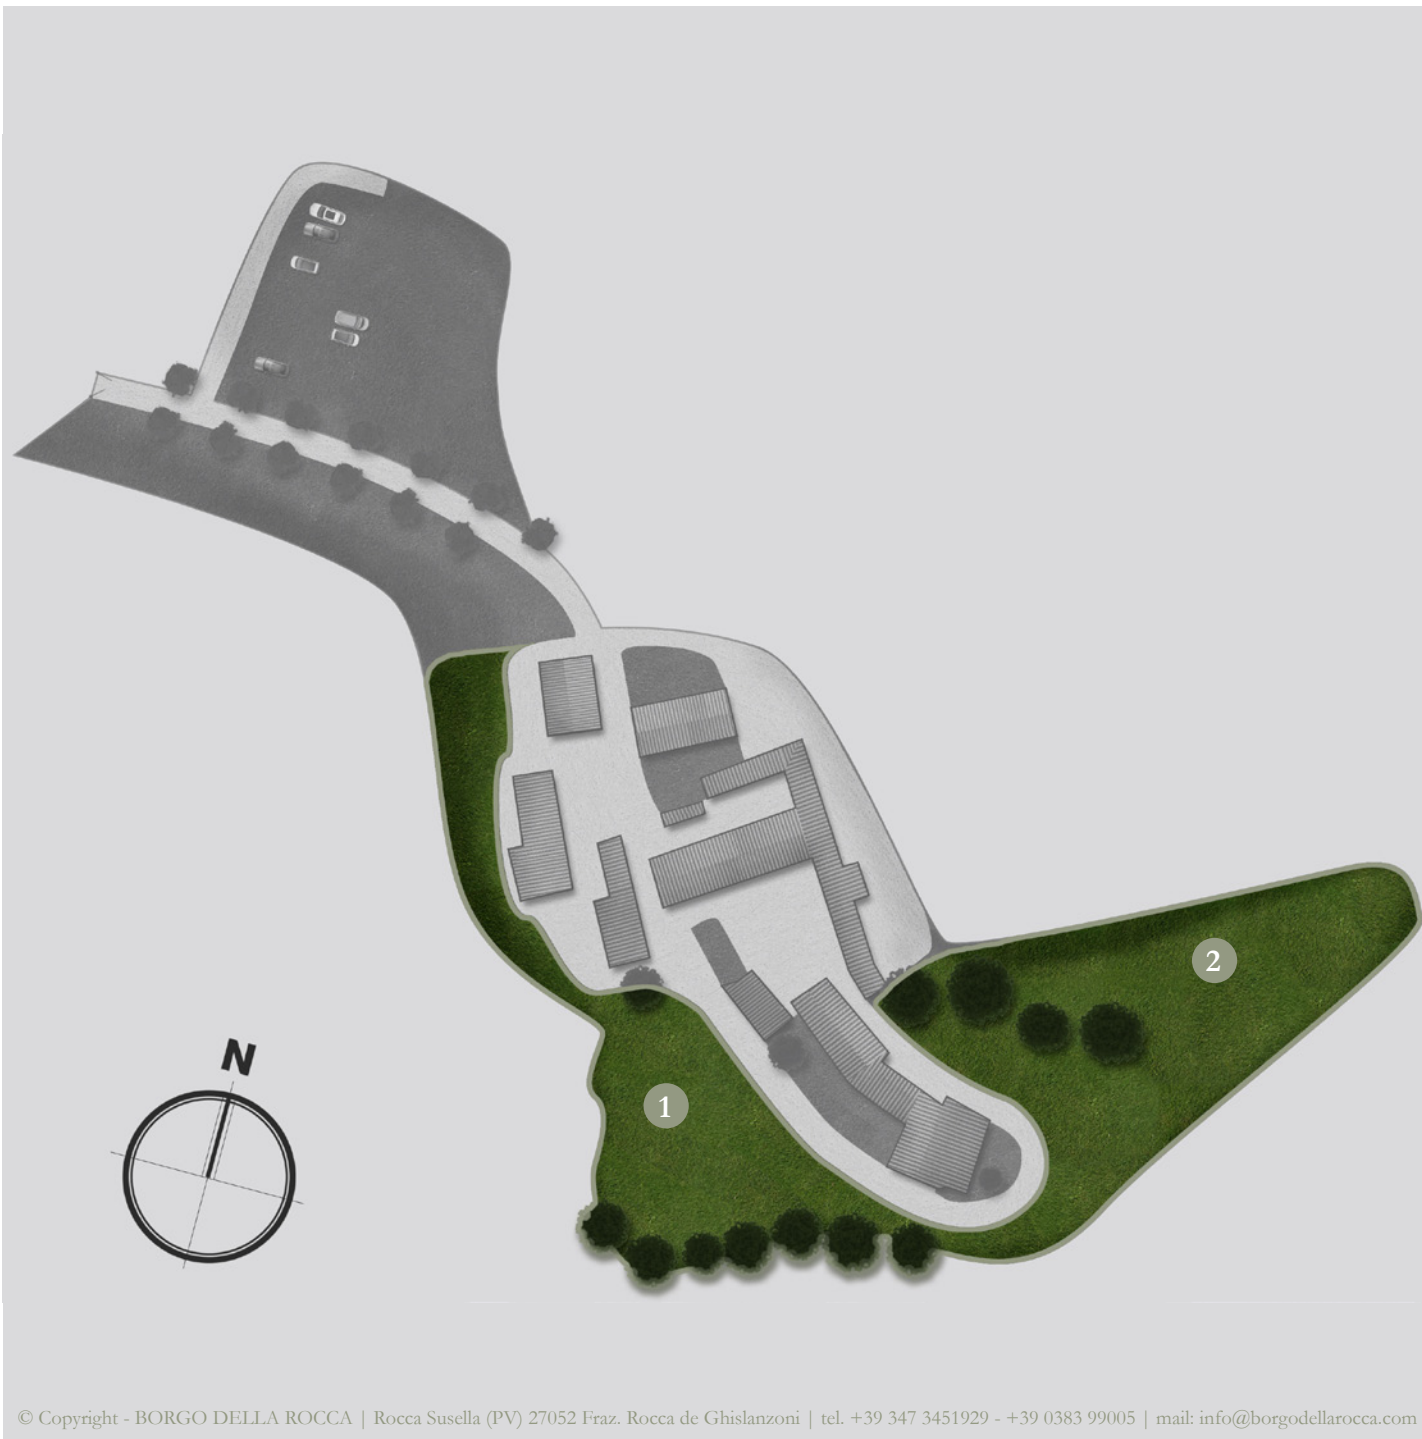

The beauty of the medieval village at Borgo della Rocca is such that it appears to be a village suspended in time. Original constructions date to the XII century and from the time of the original founder Ruino di Montepicco. For almost two centuries Borgo della Rocca has been managed as an estate of the Count Premoli family, who till this day both manage and live on the estate in the noble mansion house.

### DETAILS:

#### 1 Rooms

- Six comfortable double rooms with en-suite
- Furnished in period style
- External illumination with wrought iron lanterns
